Dear Sirs,

I refer to our recent telephone conversation and your e-mail of 1 April 2005 regarding the status of the above application and your possible abandonment of this case due to an inability to communicate with our office.

We wish to advise that we informed the patent office of our change of address by facsimile on 28 April 2004, a copy of our facsimile is attached. On 20 May 2004 we accessed the United States Patent and Trademark Office's web site in order to confirm that the change of address was amended in your records. A printout of the website page is attached indicating that our firm's details were recorded correctly.

Also attached is an "Application to Redirect Mail" requesting Australia Post redirect all our mail from our old address to the new address. The redirection was effective from 29 April 2004 and is effective to date.

In order to complete formalities, we now attach a USPTO 'Change of Correspondence Address' form PTO/SB/122.

In light of the above, we request that you send the first examiner's report to the undersigned at the earliest possible convenience.

Regards,

Michael Molins
